Established by Act No. 11 of 2002 (As Amended)

Registrar/CEO: San Yakubu Mohammed Baba, PhD (FWAPCEH, FAEHN, FAIPH, MCIH London)

**EHORC/REG/POL/099/003**

**6<sup>th</sup> September, 2023**

All Environmental Health Service Takers

Dear Clients,

## **REVIEW OF ENVIRONMENTAL HEALTH REGULATORY SERVICES FEES**

In line with the Re-branding Mission embarked upon by the Council, regular updating and reform initiatives are being introduced with a view to improving the Standards and enhancing the quality of Regulatory Services rendered to our esteemed Clients namely Individual and Corporate Environmental Health Practitioners, Tertiary Educational Institutions, Environmental Health Practice Sites, Environmental Health Consulting Firms, Employers of Environmental Health Manpower, Other relevant Institutions and the general public. This is equally supported by robust Practice Standards Monitoring and Quality Assurance mechanism entrenched to guarantee value for the money expended by our esteemed Clientele.

2. Similarly, in line with the provisions of our Service Charter, we are working towards a highly efficient Service provisioning with our Core Values as yardstick for measurement of quality. These Values namely Integrity, Transparency, Accountability, Team Work and Professionalism require the optimization of Human and Material Resources, including Digital Facilities. All these, no doubt attract huge financial investment especially given the prevailing economic realities of our time.

3. In view of the foregoing, I am directed to inform you of the decision of the Council to review its Service Fees as enunciated in the table hereto attached which shall take effect from **7<sup>th</sup> October, 2023**.

4. While anticipating your understanding and cooperation, please, accept the assurances of the warm regards of the Registrar.
